Regional Employer Organisations
Members of the National Joint Council**

22 October 2024

Dear Chief Executive,

LOCAL GOVERNMENT SERVICES PAY AGREEMENT 2024

Employers are encouraged to implement this pay award as swiftly as possible.

Agreement has been reached on rates of pay applicable from **1 April 2024** (covering the period 1 April 2024 to 31 March 2025). The new pay rates, each increased by £1,290 per annum, are attached at **Annex 1**.

All locally determined pay points above the maximum of the pay spine but graded below deputy chief officer, should be increased by 2.50 per cent, in accordance with Green Book Part 2 Para 5.4¹.

The new rates for allowances, uprated by 2.50 per cent, are set out at **Annex 2**.

Joint work

It has been agreed that there will be joint discussions on how the NJC can capture gender, ethnicity and disability pay gap information that will be of most benefit to the sector.

Backpay for employees who have left employment since 1 April 2024

If requested by an ex-employee to do so, we recommend that employers should pay any monies due to that employee from 1 April 2024 to the employee's last day of employment.

When salary arrears are paid to ex-employees who were in the LGPS, the employer must inform its local LGPS fund. Employers will need to amend the CARE and final pay figures (if the ex-employee has pre-April 2014 LGPS membership) accordingly.

¹ The Green Book Part 2 Para 5.4 provides that posts paid above the maximum of the pay spine but graded below deputy chief officer are within scope of the NJC. The pay levels for such posts are determined locally, but once fixed are increased in line with agreements reached by the NJC.

Further detail is provided in [section 15 of the HR guide](#) and the [Backdated Pay Award FAQs](#), which are available on the [employer resources section](#) of www.lgpsregs.org.

Yours faithfully,

*Naomi
Cooke*

The Farnham Town Clerk is the only member of staff appointed at a salary level above the Senior Civil Service Minimum Payband on the LC4 scale Pay points 55 to 62.

The pay multiple at 31.3.24 is 2.99 (ratio between the highest paid taxable earnings figure and the median earnings figure of the whole of the authority's workforce).

In comparison most local authorities have a pay multiple between 4.1 and 7.1. Central Government and NHS Trust often exceed 10.1 . Most SMEs have a pay multiple of 6.1 to 20.1
